WELCOME MESSAGE FROM THE CHAIRMAN

主席歡迎辭 / 会長の挨拶

A warm welcome to all of you attending the **2026 Hong Kong International Fur & Fashion Fair**. It is both our honour and great pleasure to have you with us, and your presence makes this event even more exciting and significant on our trade calendar. **As the world's largest trade fair for the fur industry, the Hong Kong International Fur & Fashion Fair is the place to be for buyers, exhibitors, and industry leaders worldwide.**

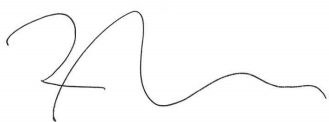

Driven by innovative marketing and promotion in Mainland China, we have witnessed the triumphant return of fur to the fashion world, as evidenced by strong winter sales in 2025 and rising material prices, signalling renewed market confidence and demand.

Over the years, the Fair has evolved into a dynamic trading platform that reflects Hong Kong's role as a **super connector**, linking European skin suppliers with Chinese furriers and connecting Korean fur buyers with Hong Kong companies. **Building on this role, the Fair is co-located this year with the Asia Pacific Leather Fair, creating cross-industry synergies and offering buyers a more comprehensive and rewarding sourcing experience.**

One of the Fair's highlights, the renowned **"Hong Kong Fur Gala 2026"**, will take place on the second evening of the Fair. Showcasing breathtaking designs by leading furriers, the Gala is celebrated for its unconventional craftsmanship and original creativity. Year after year, it has inspired new seasonal directions and captured the attention of buyers worldwide, reaffirming its role as a key driver of market trends.

Lastly, I would like to express my sincere gratitude to the **Hong Kong Trade Development Council** for their role as Adviser to the Fair, as well as to the **International Fur Federation** for their valuable support in bringing more international exhibitors to our Fair. I also extend my heartfelt appreciation to our fellow furriers for their unwavering support and patronage in helping the Fair grow stronger each year.

I wish you all a rewarding and fruitful Fair.

William Sun

MESSAGE FROM ADVISER

顧問之辭 / アドバイサーからのご挨拶

On behalf of the Hong Kong Trade Development Council (HKTDC), I would like to congratulate the Hong Kong Fur Federation on the outstanding organisation of the Hong Kong International Fur & Fashion Fair 2026.

Hong Kong continues to serve as a vital hub in global trade and supply-chain connectivity, acting as a strategic gateway between the Chinese Mainland and international markets. With its open and efficient market system, transparent regulatory framework, and world-class financial and logistics infrastructure, Hong Kong reinforces its role as a trusted partner in the global fur industry.

The Fur Fair brings together key industry voices to network and connect, while showcasing Hong Kong's leadership in fur trading and manufacturing.

Co-located with the Asia Pacific Leather Fair (APLF) for the first time this year, the fair is set to further unite industry players and open up more business opportunities for all.

Equally important, the Fair continues to inspire the next generation through the Sustainable Fur Design Competition, featuring talented students from the Hong Kong Design Institute, Hong Kong Polytechnic University, and the Technical and Higher Education Institute of Hong Kong.

The event is a unique opportunity to discover new partners, investors, and pathways to growth.

Congratulations to our friends at the Hong Kong Fur Federation on delivering another outstanding edition of the Hong Kong International Fur and Fashion Fair.

Sophia Chong
Executive Director
Hong Kong Trade Development Council

ORGANIZER – HONG KONG FUR FEDERATION

主辦機構 - 香港毛皮業協會 / 主催者

The Hong Kong fur industry dates back to the 1930s when several experienced furriers from China set up workshops and retail outlets in Hong Kong. From serving the domestic market at the beginning, the trade has expanded progressively to exporting to international buyers looking for quality furs. Hong Kong is now the world's largest exporter of fine fur garments, with furriers offering merchandise reputed of good value-for-money, consistent and superb quality, as well as prompt delivery.

In 1979, the **Hong Kong Fur Federation** (HKFF) was established to coordinate fur trade and promote its development. A thriving organization with over 100 members, the Federation is an active member of the International Fur Federation (IFF). The industry's sustained growth over the past four decades is testament to the Federation members' capability of anticipating, adapting and developing market trends.

Fur is a sustainable fashion material and responsible choice. With the worldwide vogue for fur, Hong Kong furriers have continuously improved their excellent craftsmanship and explored new techniques that enable fur designers to develop new themes. New look furs – lightweight and colorful, dyed, sheared, plucked or knitted, double-faced or textured – showcase the versatility of fur as a natural fashion fabric for all seasons with increasing appeal to younger consumers.

Over the years, the Federation has been actively promoting the fur industry with a wide range of activities. Hong Kong International Fur & Fashion Fair tops the list and takes place every year at Hong Kong Convention & Exhibition Centre. As the most important event for sourcing quality fur garments and raw materials, the 2019 Fair occupied 23,000 square metres, welcoming over 180 exhibitors from 10 countries and regions, as well as buyers from over 30 countries. This year, the exhibition will be co-located with the Asia Pacific Leather Fair (APLF), efficiently converging industry forces to double the business opportunities.

In the past three years, the annual physical Hong Kong International Fur & Fashion Fair was disrupted by the global coronavirus pandemic. However, the HKFF's mission remains unchanged; thus the Federation determined to continue serving the industry by setting out a brand new vision on the virtual platform. The first ever virtual Hong Kong International Fur & Fashion Fair has been established since 2021, it provides easy access and an advanced product search engine, enabling instant and barrier-free communication between exhibitors and buyers intended to foster business opportunities. Regardless of travel restrictions, coronavirus or not, the digital platform offers buyers and exhibitors an effective channel to trade 24 hours a day around the globe.

The Federation's another major annual event is the Fur Design Competition. The aim of the Competition is to kindle the interest of local design students in fur and thus recruit young, talented designers for the fur industry. In 2011, the Fur Design Competition marked an outstanding achievement as the winner of the Competition once again won the Gold Prize in the International Fur Design Competition organized by the IFF after Hong Kong took the same prize for the first time in 2009. Moreover, Hong Kong's young designers continued to receiving remarkable results in Fur Design Competition in Asia Region. The Competition indeed provided an invaluable experience for young talents to expose on the international fashion stage.

The Federation will keep working closely with major design institutes, spare no effort to promote young designers to use fur in fashion design, and jointly explore the development of innovative design and sustainable fur fashion.

Since 2012, the Board of Directors has established a Long-term Strategic Planning Committee to explore broader vision and seek new opportunities arise in the ever-changing business environment thus sustaining future growth of the Hong Kong fur industry. In this respect, the Committee has successfully recruited over 80 members joining the Chinese Manufacturers'

Association of Hong Kong and established a Fur and Leather Industrial Committee in the Association. Meanwhile, in 2015, the Federation led more than half of its active members joining the newly established Fur & Leather Garment Group of the Federation of Hong Kong Industries, further reinforcing furriers' representation in the local industries. The Federation also retains close contact with related industry associations, including the Textile Council of Hong Kong, to unite and strive for development for Hong Kong industry players.

To enhance trade connections with mainland and overseas counterparts, the Federation receives incoming missions as well as organizes outbound missions to converge with furriers, trade associations' representatives and government officials. Moreover, the Federation also spearheads Hong Kong presence in trade fairs and exhibitions in overseas and mainland, these outbound missions persist to be a major networking tool as they are very effective in promoting the Hong Kong fur industry and the Hong Kong International Fur & Fashion Fair in both emerging and traditional markets. As a result, "Fur by Hong Kong" is now regarded as a well recognized high-quality label in the fur world.

In Hong Kong and the mainland China, the Federation actively promotes sustainable fur fashion through different media platforms. To stimulate the interest in fur fashion and encourage the usage of fur among young talents and fashion designers, the Federation organizes local workshops and seminars, as well as collaborates with the Hong Kong Fashion Designers Association in a number of fur projects. In addition, trade seminars are held to enable members to grasp the pulse of the latest trade regulations and related issues.

When it comes to Asia, the marketing focuses are on mainland China, Japan and Korea. To boost the stylish and quality allure of Fur by Hong Kong in the China market, the Federation has set up promotional booths at important national trade fairs held in major mainland cities. Moreover, the Federation organizes fashion fairs in Japan and Korea regularly, which provide opportunities for reinforcing collaboration with various markets.

While striving for the future of the Hong Kong fur industry, the Federation also remembers the needy and the disadvantaged in local and neighboring societies. Following 2008 devastating Sichuan earthquake, members of the Federation collected HK\$2 million for the Salvation Army's and Hong Kong Red Cross's relief efforts in the worst affected areas. More recently, the Federation and its members contributed a total of HK\$1 million for the earthquake relief efforts in Japan in March 2011. The generous and speedy response further underlines the unity of its members which everyone takes genuine pride in.

At the outbreak of coronavirus pandemic in early 2020, a number of enthusiastic Board of Directors quickly donated surgical masks and anti-epidemic materials to members. Our Directors' generosity has demonstrated the spirit of mutual support and their loving care for members.

In 2025, through the "The Community Chest Tai Po Fire Relief Fund", the Federation and fur industry wish to provide urgent financial assistance to families and individuals impacted by the fire, with the highest tribute to the firefighters and ambulance crew.

Tai Po Wang Fuk Court, the Chest has set up the "The Community Chest Tai Po Fire Relief Fund". Every dollar raised, with no deduction for administrative expenses, will

Witnessing the Hong Kong fur industry thriving over four decades, the Federation aspires to make every effort to promote the sustainable development of the industry in the future, □to reinforce Hong Kong as the world's leading fur trade center, as well as to take the Hong Kong fur industry to new heights in the years to come.

ORGANIZER – HONG KONG FUR FEDERATION

主辦機構 - 香港毛皮業協會 / 主催者

香港毛皮業的發展始於三十年代，當年一批經驗豐富的毛皮商人從內地移居香港，開設零售店及工場。初期顧客以遊客為主，其後逐步擴展至採購優質毛皮產品的國際買家。在香港毛皮商的努力下，香港的毛皮產品在國際間建立了良好的聲譽；憑品質超卓、交貨期快而準及物有所值等優勢，令香港成為現今全球最大的高級毛皮時裝出口地。

為促進本港毛皮業發展及統籌業內各項貿易活動，香港毛皮業協會於一九七九年成立，至今創會逾四十年載。目前，本會共有一百多名會員，亦是國際毛皮協會成員，積極參與國際事務。歷年來香港毛皮業持續蓬勃發展，足以證明協會會員準確捕捉市場趨勢，成功為業界創造無限商機。

皮草是可持續的時尚原料及責任之選，是時裝潮流的寵兒，香港毛皮商把握市場機會，不斷提升製作工藝、研發新技術，賦予設計師更多創作靈感。市場上琳瑯滿目的毛皮設計，瑰麗多變，贏得年輕消費者口碑之餘，也使皮草成為設計師樂於採用的高級時裝物料。

一直以來，協會透過各類型的活動，積極在香港及海外推廣香港毛皮業。每年假香港會議展覽中心舉行的「香港國際毛皮時裝展覽會」是最重要的活動之一，也是全球業界採購優質毛皮時裝及原料的主要平台。二零一九年展覽場地面積達23,000平方米，匯聚來自10個國家及地區超過180家本地和海外參展商，吸引全球超過30個國家的買家參與。二零二六年展覽會首度與亞太區皮革展 (APLF) 同期舉行，強勢匯聚業界能量，帶來倍增商機。

二零二零年新冠疫情肆虐全球，影響協會每年舉行的實體香港國際毛皮時裝展覽會，不過，協會不忘初心，堅守宗旨，以行業持續發展為使命，於二零二一年突破性推出首創線上香港國際毛皮時裝展覽會，以嶄新平台，匯集展示、洽談、互動於一體，為全球買家和參展商提供了每天24小時無間斷的有效貿易平台。

協會主辦的「皮草設計比賽」是業界的盛事，並獲得各大設計學院及同業熱烈支持。比賽旨在提高本地年青設計才俊對毛皮設計的興趣，從而吸引更多年輕人投身毛皮業，提高本地產品水平，令香港毛皮時裝百花齊放。繼二零零九年，香港皮草設計比賽作品於米蘭國際大賽首次獲得金獎後；二零一一年，香港的設計於該項國際比賽中再度稱冠。此外，學生的作品亦在亞洲區皮草設計比賽屢獲殊榮。香港皮草設計比賽成功讓香港新一代的設計師閃耀於國際舞台，也為他們未來的設計事業寫下難忘的一頁。

協會將繼續與各大設計學院合作，不遺餘力推動年輕設計師參與皮草設計，共同推動創新設計及開發可持續皮草時裝的發展。

於二零一二年，理事會成立長遠發展策略委員會，為毛皮業在瞬息萬變的營商環境中尋求新突破，並確保香港毛皮業持續發展。該委員會更成功鼓勵超過80間會員公司加入香港中華廠商聯合會，繼而成立了毛皮及皮革製品業委員會。同時，於二零一五年，在協會推動下超過半數的活躍會員加入了香港工業總會新設的毛皮與皮革成衣分組，令毛皮業在本地芸芸行業中更具代表性。同時，協會並與相關行業的協會緊密聯繫，包括香港紡織業聯會，團結一致為香港廠商共謀發展。

為加強與世界各地及內地同業之聯繫，協會經常接待訪港的貿易團及組織內地及海外考察團，與毛皮商、貿易協會代表和政府官員會晤，並積極參與不同地區的國際貿易展覽。這些交流活動，讓協會成功地向傳統以至新興市場宣傳香港毛皮業及香港國際毛皮時裝展覽會，令「Fur by Hong Kong」成為全球公認的優質品牌。

與此同時，協會透過在香港和中國內地的不同媒體積極宣傳毛皮時裝。協會亦經常在本地舉辦毛皮工作坊，以及與香港時裝設計師協會合作推出毛皮時裝系列，藉以提高設計師對毛皮時裝設計的興趣，鼓勵他們將毛皮應用於時裝設計上。另一方面，協會不時為會員舉辦各類講座，提供有關貿易政策及市場的第一手資訊。

中國內地、日本和韓國皆為亞洲區內的重要市場，因此協會多次在國內的大型時裝展覽會設置展台，推廣優質的香港毛皮時裝，開拓國內市場；更經常在日本及韓國舉行毛皮展，拓展合作關係，發掘商機。

協會為香港毛皮業發展作出努力的同時，亦不忘為社會上最貧困、最急需援助的一群伸出援手。二零零八年四川發生地震，協會會員迅速籌得港幣二百萬元捐贈予救世軍及香港紅十字會，協助災區重建工作。二零一一年三月，協會暨會員亦合共捐出港幣一百萬元，援助日本地震災民。會員的大力支持及慷慨捐款，充分展現毛皮業界的團結精神，令同業引以自豪。

二零二零年初有見新冠疫情爆發，協會多位熱心的理事迅速為會員捐贈口罩及防疫物品，理事們的慷慨付出，展現了對每一位成員的關愛，展示行業互助精神。

二零二五年，協會及皮草業界希望發揮「守望相助、同舟共濟」的獅子山精神。透過「公益金及時雨大埔火災援助基金」援助項目捐款予大埔宏福苑火災中受影響的居民及其家屬，協助展開重建之路，並對消防員與救護人員致以最高的敬意。

見證著香港毛皮業過去四十多年的蓬勃發展，香港毛皮業協會日後將朝著行業可持續性發展的方向全力推廣，冀盼進一步鞏固香港作為全球主要毛皮貿易中心的領導地位，引領香港毛皮業邁向新里程。

CIPEL CAMBODIA

About Cipel Cambodia

In the heart of Southeast Asia, Cipel Cambodia is strategically located off the city of Phnom Penh 20 kilometers from the Phnom Penh Airport and 300 kilometers from the Sihanoukville Sea Port and Vietnam Ho Chi Minh City.

Under the Asean Free Trade Agreement between China and Cambodia, our customers will be able to import goods into China without duty.

Managed by the experts of Marco-Ling with over 40 years of experience in Fur Processing, customers can be assured of the quality of the product we produce.
